Longo pod collaborative focus due to the soundproofing properties of longo pod, this layout allows a private space to be collaborative and acoustically isolated. Additionally, the number of possibilities offered by the choices of upholstery gives the user a high degree of customisation to create more attractive and creative places.

We learn from Italy, Germany, office furniture, the essence of philosophy, incorporating fashion and the essence of modern technology. Extract the essence of Western Art, the simple, without decoration, break through the traditional design thinking, demonstrate excellent flavour, gives people a sense of stability and affluence.
