Concepts & Production of Modern Furniture

EXPERIENCE ERGO

Concepts & Production of Modern Furniture

Design Your Business

With over 17 years of experience, we at CPM are the leading manufacturer and distributor of customized office fixtures.

Our systematic work approach, ingenious product range, in-house architectural capability and after sales services have amplified our presence across India, through a sturdy network.

The ISO 9001, 14001, 45001, BIFMA certification gives the magnitude of our abilities and the speck of our quality, an undisputed testimony.

With an extra edge in designing and manufacturing modular office furniture, CPM has for all time been on crest in the list of office furniture companies. The company specializes in whirling vacant, hollow spaces to vigorous and aesthetical environs.

Being an innovation led organization, CPM believes that every space has some concealed meaning within it. And our charge is to heave that out with our striking designs and modular systems to let that space enjoy its true sense.

We are entirely dedicated to enhancing the quality to office life by providing quality products, truly driven with comfort and sophistication. In a way changing the conventional definition of an office space from boredom hours to enjoyable moments.

www.cpmsystems.in

Our efficiency in creating innovation enhances the artistry of the workspace and provides vitality to the office space to counter with spontaneity and unconditional aptness

Users can use a variety of office positions in the Work - whether you are sitting, standing or walking Around, you can work on your own ways to choose And control.

concepts & production of modern furniture

A set of all new innovation in modular office fittings and fixtures that's smart enough to know what is Best for you. This breakthrough is all set to drive your senses and restructure the existing conservative Image of a office space. Positive, elegant, simplicity. It tires to perfect the style and very detail.
Ergo Touch series : so innovative that converts your typical office to 'Office Space As Always For You'

Our Mission

is to manufacture high-quality modular furniture that meets the evolving needs of modern workplaces. We are committed to precision engineering, superior finishes, and timely delivery in every project we undertake. By combining innovation, skilled workmanship, and reliable processes, we ensure consistent value for our clients. We aim to build long-term relationships through trust, service excellence, and uncompromising quality.

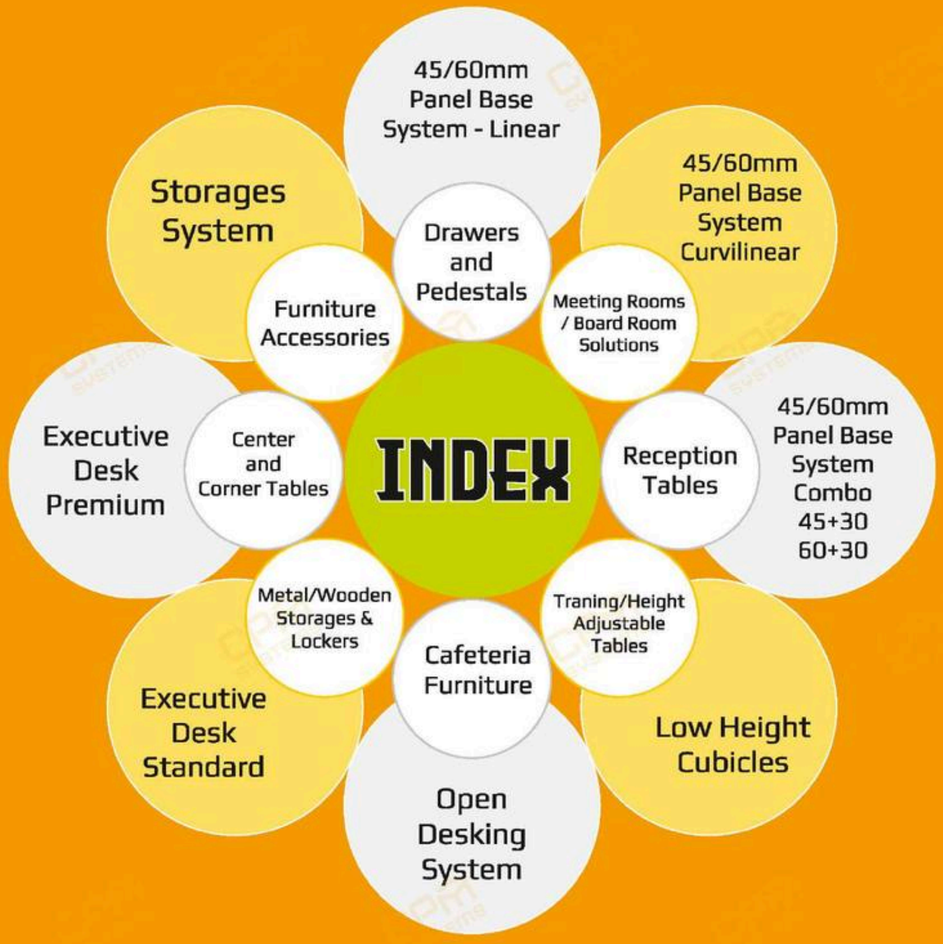

Our Vision

To be a trusted name in modular furniture by delivering innovative, functional, and durable solutions for modern workspaces. Since our establishment in 2011, we strive to blend design excellence with superior craftsmanship and sustainable practices. Our vision is to create furniture that enhances productivity, reflects contemporary aesthetics, and adds long-term value for our clients. We aim to grow through quality, integrity, and lasting partnerships.

Our Values

We believe in uncompromising quality, ethical practices, and accountability in everything we do. Innovation and continuous improvement drive our designs, processes, and finishes. We value customer trust by delivering on our commitments with transparency and consistency. Teamwork, safety, and respect form the foundation of our workplace culture, enabling sustainable growth for our people and partners.If you want it more manufacturing-focused, more premium, or more sustainability-oriented, I can tailor it further.

The Core COMPETITIVENESS

WIRE MANAGEMENT

Vertical & Horizontal Wiring

All models support vertical & horizontal high capacity wiring system, ranging from 2200mm-6000mm. it can hold 36-50 network/electrical wires of 5mm thickness, which ensures a great wiring solution. All raceway systems are made of aluminium extruded sections in a snapfit formation, giving humanistic and careful design, terminating the inconvenience while installing and maintaining it.
Panel based partitions also extends flexibility to flow wiring through panels vertically, giving access for wiring boards at any location.
Besides one raceway provided at the bottom of partition level, horizontal raceway can also be installed over or under worktop surfaces. The enough safe distance between the two avoids their interference.
